

**SOLID.
STABLE.
STRATEGIC.**

Confidence You Can Count On.

When it comes to group benefits, confidence and consistency matter. Through our ownership of AmFirst Insurance Company (an A-rated insurance carrier) and partnerships with two other A-rated carriers in the industry, Morgan White Group brings strength and stability to group secondary benefits.

The **Premium Saver Plan** is a supplemental medical plan that helps control group costs without reducing coverage. By pairing it with a primary medical plan that includes a high maximum out-of-pocket (MOOP) cost, Premium Saver can significantly reduce those out-of-pocket expenses without compromising the value of the overall benefit package.

*With over 30 years of experience, our commitment to **excellence, innovation, and long-term support** has never wavered. While others in the market may shift or disappear, Morgan White Group stands strong!*
